### Did you know???

Good Sam Club was founded in 1966 as an international organization of recreational vehicle owners and is the largest organization of RV owners in the world - currently boasting over 1.8 million members. It is focused on making RVing safer and more enjoyable, and to save members money through club-endorsed benefits and services.

The organization is currently owned by the Good Sam Enterprises, which also owns Camping World, Coast to Coast Resorts, Trailer Life Publications, Motor Home Publications and the Good Sam RV Travel Guide & Campground Directory.

The Club's name comes from the Bible parable of the Good Samaritan which tells of a traveler from the region of Samaria who helped a person along the road who had been robbed and beaten.

In 2017, there were over 2,100 RV parks and campgrounds affiliated with the Good Sam organization in which club members receive a 10% discount on nightly rates. These RV parks have to meet a minimum standard of services and appearance to be considered. If for some reason you find that the RV park does not meet the standard of Good Sam, please contact me and let me know. I will contact Good Sam.

Good Sam also sponsored the NASCAR Sprint Cup Series race, Good Sam Club 500 at Talladega Superspeedway and the Camping World Truck Series' Good Sam Roadside Assistance Carolina 200 at Rockingham Speedway.

Lots going on with Good Sam.

My La Voz newsletters are still going out each month – La Voz includes information of monthly activities, either from Stan and myself or Chapter news. I hope your Presidents are forwarding that information to you.

Keep an eye on the New Mexico website, we are adding more information all the time. There is a lot of information on the website now, but if you would like to see something more, or have a suggestion, let me know.

New Mexico Good Sam  
How it all Began

A common question at the 2017 Rally – how did Good Sam start in NM..

In June of 1971, John Maxon from CA was contacted by Good Sam International and asked to assist in starting chapters in NM and take the position as State Director. So John and International planned a campout at Jemez Dam in Bernalillo NM and International sent invitations to all the NM Good Sam Members-at-large.

With 11 rigs and phone calls and letters from additional for a total of 27 rigs – the fun began. At the meeting International (pointing fingers) appointed officers of the first chapter – Zia Roamers.

The first members were told that if any of them, within the first year, wanted to start a chapter closer to home they could take their dues and membership and move them. Over the next year the Zias were joined by Roadrunner Sams, Los Paisanos and Border Chaparrals.

The first mini-Samboree was held in June 1972 at Willow Creek Campground. There were 29 rigs and 74 persons ranging in age from 11 months to 87 years in age.

The first official State Rally was at Bottomless Lake State Park in October 1971 with Roadrunner Sams acting as hosts. Roadrunner member, Ella Plapp, is the author of the NM State Good Sam song.

So – now you know!!

## BULLDOG SAMS

Having an RV is a great way to have your own "home" on the road. Saying that, we all went somewhere this past year. The Joneses were out and about, Nancy does painting and takes classes. The Stewarts went to Texas to visit with MaryLu's family. The Bannons made a trip to Spokane WA to visit with their daughter and family and then to Poison MT to see Ann's sister. They also had a family reunion in the Sacramento Mountains. All that in addition to joining M-Mt SAMs in their camp outs! The McArthurs were also busy. Their son was married in Colorado then all of them made an awesome trip to Ireland. They also invested in a new rig-a must see. Guy and Marsha joined M-Mtn SAMs for several campouts. We are all busy, but for a variety of reasons never could get a campout going. We have only 4 rigs, but we meet every month with each one of us acting as wagon master. Our fellowship is quite outstanding, we enjoy meeting together.

## DONA ANA PEPPERS

Terry Chappell has been a Good Sam Club Member since 1992; He joined a local Chapter, the Dona Ana Peppers. Good Sam Chapter in January 2000 after retiring from White Sands Missile Range, and is the current president of the Chapter. During the time from 2000 to the current year he has served as President, Vice President, Wagon Master, and several committees for the chapter many times. He has volunteered with several groups in the Las Cruces Area, since retiring. He has attended most of the New Mexico Spring and Fall Samborees that have been held in the past 17 years, and has also attended many chapter campouts and traveled up to 1200 miles from Las Cruces Chapter, with chapter members as groups or convoys.

## 3 RIVER SAMS

**3 RiverSams** is a Good Sam Chapter located in the Four Corners region. We were founded in 1992 and continue to thrive. Current officers are as follows: President – Brian Holt, Vice President – Greg Mizell, Treasurer – Jan Davy, and Secretary – Anna Holt. At this time we have 42 members with about 18 rigs. We camp every 3<sup>rd</sup> weekend from April through October. This year is shaping up nicely with the following itineraries:

**April** – RTE 66 RV Resort in ABQ

**May** – Venture In RV Park in Show Low AZ

**June** – Blanco River RV Park in Pagosa Springs CO

**July** – Blue Spruce RV on Lake Vallecito CO

**August** – Bayfield CO

**September** – State Rally at RTE 66 RV Resort ABQ

**October** is the Balloon Rally in ABQ or an alternate of Monument Valley UT.

We're looking forward to a great summer. 3 River Sams welcomes all Rv'ers, from pop ups to motor coaches. Our members are very active! We took the trophy last year at the State Rally. Through our civic fund we have been able to donate to local charities each year, last year we gave over \$1,400.00 to the local Wounded Warrior Project. Anyone looking for further information or who would like to join us on a camp out can call or email our President, *Brian Holt 505-948-3086 or bholt777@gmail.com*

## ASD Southern Region

Greetings Fellow RV's

Well another year has past and it is time to tell you all about what has been happening on the East Side of the state Good Sam wise "NOTHING"!!

We have only one chapter left on the East Side of New Mexico and that is my home chapter – The Bulldog Sams of Artesia. We only have four (4) Rigs and two (2) of us belong to the Mtn Sams also.

You all know the story – I am too old; too sick; etc – to attend any campouts.

So Fellow Campers – Enjoy Life while you can – See as much of our great Nation as you can and I will see you down the Road.

**Fran Bannon**

## Webmaster & ASD Northern Region

5

I'm **Chuck Culpepper** and I'm the Webmaster for New Mexico Good Sam, as well as being the Assistant Director for Northwest New Mexico, which consists of 3 River Sams, Rio Rancho Sams, and New Mexico Computer Sams.

As Webmaster, I am responsible for designing the web pages, keeping the content fresh and relevant, and updating the newsletters for the individual chapters. I also administer the NM Good Sam Trading Post, where you can list your RV related items for sale. Currently, we aren't seeing a lot of action, but hopefully, we will get more listings in the future. If you are interested in posting, let me know and I can walk you through the process!

Additional duties include computer services related to the State Rally; e.g. name tags, registration forms, and the brochure for the Rally.

As you look at the web site for the State organization, please make note of things you would like to see or that need to be changed, such as misspellings, incorrect names/facts, etc., let me know. I can't do everything web related, but I will experiment and see if I can find work-arounds for the complicated projects.

## NEW MEXICO COMPUTER SAMS

The New Mexico Computer Sams Chapter is a computer service chapter composed of members from all areas of the State of New Mexico. It was chartered on November 5, 1994 for Good Sam members that have an interest in computers and RV's. The New Mexico Computer Sams have two goals as a chapter. One will be to help teach it's members in the use of the personal computer. The other role of the chapter will be to assist the New Mexico State Good Sam Organization with computer support and services at the Fall Rally. One meeting will be held at the Fall Rally.

You do not have to have strong computer skills to be a member of Computer Sams.

If you are interested in joining the New Mexico Computer Sams or would like to receive information about our chapter please email

## Manzanita Sams

My name is Preciliano "Shorty" A. Vaiza Jr, now you know why they call me Shorty. I am the President of the "Manzanita Sams" RV Group.

We started out the 2017 year with a few lunch meetings and our first "Road Trip" was to Elephant Butte, Cedar Cove RV Park. At Cedar Cove we had six (6) Rigs. My wife Judy and I were the wagon masters for this outing. We scheduled a road trip to a surrounding area of interest which is something we always do no matter where our traveling takes us. Nine of us went for lunch at Hillsboro and then onto Lake Valley where they have a school house with some wonderful artifacts of the area and some of the old buildings are still standing. If you are in the area it is a nice place to visit and the food at the café in Hillsboro is excellent.

Our group normally arrives on a Thursday and we meet for "hors d'oeuvres" as a welcoming get together. Friday Night is potluck night with everyone bringing something to the table. Saturday morning breakfast and meeting, again everyone brings their speciality to the table. Saturday Night we go out, as a group, to a local restaurant for dinner.

We have most of the year planned out as to where we will travel. Colorado is one of the places we go and everyone seems to enjoy the cool air and mountains. We plan one road trip per month as a group but some of our members travel on their own or belong to another group, as well.

On a sad note, in 2017, the Manzanitas lost the Aplins- Bob and Hilda. They have been with the Manzanitas for many years and were a driving force in its start and continuation. They will be moving out of state in order to be closer to their children. They will be missed by all the members of our Manzanitas Group and by everyone they have come in contact with, a very Special Couple. We wish them well and Happy Trails.

Hooray, hooray we are looking forward to 2018, it's RV traveling time!! The Manzanita Sams are starting our outings in March and will be traveling to Elephant Butte. We normally start the season going south. April will be in Las Cruces. We then head north with trips planned for Pagosa Springs, Pendaries, Los Brazos, and Santa Fe. Last year, five of us went rafting in Pagosa Springs and we had a blast! We have more members wanted to get on board so hopefully we will be doing the rafting again this year.

Since losing the Aplins, we have welcomed the Morris', Tom and Barbara, an asset to our group as they fit right in, a fun couple.

We are looking forward to the rally in September and seeing our new found RV buddies!!

See you all soon, happy trails.....

Preciliano (Shorty) A. Vaiza, Jr.  
President, Manzanita Sams

## Rio Rancho Sams

My wife, Susie, and I have been active RVs for over 20 years. We are both now retired. Susie has served for three years as Wagon Master of Rio Rancho Sams. I began serving as President in January. We have been members of Rio Rancho Sams Chapter for 6 years.

We started with a series of class B units after the thrill of tent camping wore out. We recently sold our 28' Excel 5<sup>th</sup> wheel and now own a 24' Thor Citation class C. Our plan is to do more long distance camping and touring.

Rio Rancho Sams is a very active chapter with a monthly dinner meeting and monthly campouts, usually within about 200 miles of Rio Rancho. It's normal to have 10 rigs or more for our campouts. We usually meet somewhere for dinner on Friday night. Saturday morning we will have a group breakfast with pancakes and sausage plus other "pot luck" items. Saturday night is a pot luck supper followed by games and/or social time.

Rio Rancho Sams conducts a 50/50 drawing at each meeting with half of the proceeds going to the lucky winner and half going to our selected charities; Watermelon Ranch animal rescue and Roadrunner Food Bank. The chapter has done other activities to support community organizations.

We're proud of Rio Rancho Sams and really enjoy being members.

Howdy ya'all

The last four years have gone by so quickly. Time flies when you're having fun or getting old – or so they say. With that said, it's gone by for me twice as fast.

The State organization has seen many changes in those four years. We have moved the Rally several times since leaving Red Rock/Gallup. The last two years being at the Rte 66 RV Resort. We have changed the annual state event from a Samboree to a Rally. International has changed their focus from RVing to race cars. Another change includes the elimination of Regional Directors.

During those 4 years we have lost 9 chapters: Sunrise Sams; Veterans for Fun; Los Sombreros Locos; Tucum Sams; Los Paisanos; Zia Roamers; Conestoga Sams; Cactus Sams; and Sierra Sams.

The Rally has seen the loss of many games: 42; Bowling; Golf; Golf Cards; Chicken Foot; Pinochle; Presidents Contest; Sequence; Skip Bo; Polish Poker; and Bridge. We are trying some new games this year to include a putting contest and "Rocking My Rig".

This is a lot of change for such a short time, but evolution is a necessary part of growth. If NMGs is going to survive this growth, then the membership must embrace the changes.

I wish ya'all the best of luck for a future filled with good changes!

Blessed be and Safe Travels!!

Arlene Porr

M-Mountain Sams

The M-Mountain Sam's for 2018 officers are:

Vic Velasquez - President, Fran Bannon – Vice President, Judy Greer – Secretary, Janice Gauna – Treasurer, and Bonnie Trujillo – Wagon Master. These officers are dedicated to ensure that all activities of the chapter are successful. At the January meeting they introduced themselves with a brief history.

Often chapters select a charity, especially during the Christmas season, to contribute to. It was decided at our March meeting to select a charity on a quarterly basis. As our membership is made up of residents of Valencia, Socorro, Bernalillo, and Sandoval counties that we would decide on a particular site from one of the four counties and donate items that they have on their wish lists. Members or residents of these counties have volunteered to list the different sites and then the members would donate items that that facility needs.

Our camping schedule is on the web site and we are going to do some interesting things this year. Our camp hosts have been busy making all the plans and I dare say that everyone who has hosted these campouts have made them very enjoyable and successful. Come and join us.

Vic Velasquez

President M-Mountain Sams

## Mesilla Valley Sams

As one of the oldest chapters of Good Sams in New Mexico the Mesilla Valley Good Sams continue to keep rolling along. We invite newbies and old members alike to join us for socialization and RVing fun. For information contact Debi Ivey, Chapter President at 575-556-9495.

Mesilla Valley Sams holds monthly planning and organizational meetings at the Trails West Clubhouse in Las Cruces (usually) on the Second Saturday of each month at 11:30 am, followed by an optional social lunch. We have continued to keep our annual dues at \$15.00 per rig per year. To be a member of any Good Sam's chapter you must first be a member of the Good Sams International. We can help you with that as well.

The Mesilla Valley Sams tries to organize and plan our trips so most of our members can participate. Even though they are planned ahead of time they are always flexible as to dates and times. In December we hold our annual Christmas party. Our camping schedule for 2018 is now available for anyone who wishes a copy, just email Debi Ivey at [druthivey@hotmail.com](mailto:druthivey@hotmail.com) to get a copy. We would love to have you join us - just let us know ahead of time so we can plan for you to join our RV trip snack night and potluck! Each trip has a volunteer host (one of our members). The host researches fun things to do in the area where we are camping, picks and contacts the RV park to coordinate the trip, and provides the meat for our potluck. Each rig contributes \$5 to help offset the meal costs.

As a member of a local chapter you not only receive the full support of the state and international organization but the friendship, sharing and support of local members as well.

## East Mountain Sun Chasers

### Chapter Location:

Members are primarily from the east side of Albuquerque commonly known as the East Mountains loosely centered around Edgewood, NM.

### How do I become a member?

By attending a meeting, completing an application and paying the dues you can become a member of the East Mountain Sun Chasers. The Sun Chasers chapter is a small, young, growing chapter that is composed of both working and retired adults. For more information, call Jan Beard, Chapter President, at (505) 220-0693 or email [janscockers@gmail.com](mailto:janscockers@gmail.com)

### How often do we camp?

We camp on the third full weekend (Fri, Sat, sun) of March through October. The other four months we have in town meetings at various restaurants. Our campouts are normally scheduled for Friday through Sunday, however the retired members often arrive earlier. The locations of the campouts are normally confined to reasonable travel distance for our working members.

### What do we do at our campouts and in town meeting?

At the campouts we typically enjoy games, tours, meals together, including nearby restaurants and potlucks, and the friendship and fellowship among our chapter members. At the in town gatherings on the third Saturday of those four months, we enjoy a Dutch treat meal at a local restaurant. We do have a business meeting at both the campouts and in town gatherings.

### How much does becoming a member cost?

The Sun Chaser dues are \$12.00 per year. We also have a rally fee of \$1.00 per adult member each time you attend.

## Arts & Craft Show

*Another year – another Rally – and YES another chance for you to show off! Have you made something – ANYTHING! – that you are proud of and what to show off your talent – Now's your chance!! The rules are simple 1) it has to have been completed within 2 years of the Rally; 2) the creator has to attend the Rally; 3) bring the project finished, clean and ready to be judged. When you get to the Rally watch for signs on where and when to enter your project! Of course there are always the quilts and baby blankets, but there is so much more – jewelry, paintings, photos, floral arrangements, gemstones, needlepoint, macramé, ANYTHING! Think about it and we will see you in September at the Rte 66 RV Resort.*
