March 2018

The windy month is over and we getting all that warm weather we need.

I hope all the presidents, assistant directors sent in your Gazette articles to Arlene Porr by March 15th. The Gazette will be published in April.

The 2018 Rally registration form, information page and entertainment information are now on the New Mexico Good Sam website. We have a great Rally planned this year. Our theme this year is “Roaring 20’s”. The date of the Rally is September 19th through the 23rd. I have reserved 95 spaces at Route 66 Casino RV Park this year and I would sure like to book all the spaces. We are doing a few new games this year and starting some earlier in the day – like Bingo. We have some great entertainment planned for two nights on Friday and Saturday. We are changing up the main meal this year – the state will provide the meat and the sides will be pot luck provided by Chapter members. We haven’t done that before, but it will be fun to see what everyone brings. We are still going to have the White Elephant and Raffle this year. So, save your White Elephant donations. If you need me to hold them prior to the Rally, let me know and Stan and I can either pick them up or we can make some arrangements to meet you.

We have several folks that have volunteered to help at the Rally, but if you are interested, we could always use extra help.

Still working on the Standard Operating Procedures or SOP’s. I did send copies out to the Chapter Presidents for review last month. I did hear back from some folks and we are making some changes. If I don’t hear

anymore, I will consider them to be official and we will vote on them in September at the Rally.

Please remember that I will not run form another term as State Director. My term ends December 2018. The process for State Director begins May 1, 2018. I did not hear from anyone who would like to be on a committee to recruit so I am hoping that maybe there is someone in mind for the position. Remember if the state does not have a State Director, Good Sam National will not provide any money for a Rally in 2019. Good Sam National will only send money to the State Director, not the State Treasurer. Please talk this up with your Chapters – I need someone to take over as State Director.

At the Presidents meeting in February, we discussed Chapter newsletters published on the New Mexico Good Sam website. I found a few general information publications on the web, but not newsletters. Please get your newsletters to Chuck Culpepper to publish on the web. Your Chapter Secretary can send the newsletters to Chuck – culpc@dives-2-little.com

Well time to finish working on this years' taxes, so until next month – Safe Travels

Janice and Stan
